

Online check-in: What is it? - Norwegian

Norwegian

Norwegian popular low cost airlines make it possible for their passengers to check in online, which is one of several options to carry out this process. Online check-in with Norwegian is not obligatory.

How to check in online with Norwegian? We will notify you if the online check-in option is available and ask for the information required to carry it out.

Online check-in with Norwegian

Online check-in opens	Online check-in closes
24 hours before departure	depends on the destination

What information is required when checking in online?

Norwegian airlines require certain information that is necessary to issue a boarding pass and allocate a seat on a plane. It includes: LOT airlines ask for information that will allow to generate a boarding pass. These data include:

- nationality,
- date of birth,
- travel document type (identity card or passport),
- identity card or passport number,
- country of issue,
- date of issue and expiry date,
- visa, if required in the country of arrival (e.g. the United State of America).

The document whose data was provided during online check-in should be taken with you to the airport and shown during boarding.
